## Education

- **Spiritual Travel** Spiritual and educational trips around the world. Past trips include: Israel, the journeys of Paul in Greece and Turkey, the Reformation in Germany and Italy, as well as mission work around the world.
- **Seminars** Seminars of varying length and topics for a wide variety of groups. Full list of seminars available on the website and by request.
- **Leadership Coaching** Individual, contextualized coaching for pastors, ministry staff and other leaders. Areas of specialty include:
  - First time lead pastors
  - Intentional interim pastors
  - General Leadership Coaching

## Organizational Development

- **Consulting Services** Consulting services for churches, schools, non-profits and other organizations. General consulting assessments or specific consulting services are offered. Consultation services include:
  - Values, mission, vision and strategic plan consultations
  - General Consultations

## Pastoral Services

- **Guest Speaking/Preaching/Teaching/Sabbatical Coverage** Preaching, speaking and teaching for worship, retreats and other special events.
- **Intentional Interim Leadership** Leadership for churches in transition. This specialized ministry assists churches in transition providing support for healing, greater church health and preparation for the next pastor.
- **Funeral/Memorial Services** Design and leadership of highly personalized funeral and memorial services to remember, honor and celebrate a lost loved one.
- **Spiritual Direction** Spiritual Direction is the practice of journeying towards a deeper relationship with Jesus or towards clarity in discernment in partnership with a spiritual director. A plan catered to the desires and needs of the participant is experienced in a relational way.
